We are combining Veterans groups with other Chambers in order to help the largest number of Veterans possible! We feel that by uniting all of us, we will be better able to reach out to our Veterans and help them more effectively. The mission of VetNet Connect is to support and help our local Veterans in whatever ways we can. To help with employment, housing, medical, and try to keep them out of "at-risk" situations. Those wanting to join virtually will need to be added to the VetNet Connect email list, please click here to register:
