The Human Factor: When AI Helps & When Humans Must

?? Friday, April 24th

? 8:30 AM - 10:30 AM

? Danforth Plant Science Center

FLYER

We have amazing panelists and a great group of business owners, C Suite, marketers, and operations people who will be having real thoughtful conversations about the pain points of AI in the workplace - what's actually helping vs. what's creating friction - and how to better connect it back to human productivity, decision-making, and impact.

?? A networking breakfast is included as so come meet some new friends, learn, and be part of a really meaningful discussion.
